

CEU

*Escuela Internacional
de Doctorado*

**Doctoral Programme in Engineering and Technological Development in Industrial Biomedical
and Computational Applications**

RULES OF PUBLICATION REQUIRED FOR THE DEPOSIT OF THE DOCTORAL THESIS

It is essential that the student has published (or received formal acceptance from the journal), of AT LEAST ONE original scientific article (not a review) in a journal included in the JCR, which is the result of the student's research work and has been carried out during the period in which the student has been enrolled at CEINDO.
